1

Roof for all subjects

A batch for every *stage*.

STD 5TH – 7TH

Foundation

Strong basics in Maths, Science & English, reading-writing confidence and good study habits.

STD 8TH – 9TH

Builder

Algebra, physics and chemistry made simple. Weekly tests and early board-pattern practice.

STD 10TH

Board Batch

SSC, CBSE & ICSE: important-question focus, full test series, revision and crash course.

BEFORE EXAMS

Crash Course

Fast-track chapter-wise revision right before school and board exams.

FROM HOME

Online Classes

Live classes with the same teachers when a student can't attend in person.

NEW

Coding for Kids

Python, SQL & MS Office in small batches with real mini-projects.

THE SMCC METHOD

Don't mug it up. *Build it.*

01 Understand

Every chapter from the basics until the concept is crystal clear.

02 Derive

Formulas built on the board, step by step — never memorised.

03 Test

Weekly tests catch weak spots early, while there's time to fix them.

04 Revise

Revision classes and a crash course turn understanding into marks.

BATCH TIMINGS*

Fits around *school*.

STD	MORNING	EVENING
5th – 7th	—	4:00–5:30 · 5:30–7:00 PM
